

# Rolling Stones, Pretty Beat Up

(M. Jagger/K. Richards)

Pretty beat up  
Pretty beat up  
Since you put me down  
Pretty beat up, pretty beat up  
Yeah since you left me lying around  
Pretty beat up, pretty beat up  
Since you 86-ed me, pretty beat up  
Never restitched me, pretty beat up  
My face is a mess, pretty beat up  
Yeah yeah you ought to see my face  
Pretty beat up, pretty beat up  
It's a mess, pretty beat up, pretty beat up  
You ought to see inside my heart  
Pretty beat up, pretty beat up  
I'm marked for life, pretty beat up  
I'm marked for life, pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Yeah I'm just like a battered baby  
Just left on the street, pretty beat up  
You ought to see the state, pretty beat up  
I've been cut with a razor, pretty beat up  
Don't you cut me up, don't you cut me up  
I'm pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up  
Pretty beat up
