

# Rolling Stones, Too Tough

(M. Jagger/K. Richards)

If you want to wreck my life  
Go ahead my love  
Tried it once with poison  
Tried it once with drugs  
My circulation's running dry  
It's you that drank me up  
Screwed me down with kindness  
Suffocating love  
When it comes to fighting  
Trying to play it rough  
I will take you twenty rounds  
I'm just too tough, too tough  
Too tough, too tough  
Saw you on TV last night  
In a rerun soap  
You were young and beautiful  
Already without hope  
But I don't think you ever knew  
What you've bitten off  
But in the end, you spat me out  
You could not chew me up  
I'm too tough, too tough  
Too tough, too tough  
When it comes to fighting  
Trying to play it rough  
I will take you twenty rounds  
I'm just too tough, too tough  
I married yesterday  
To a teenage bride  
You said it's only physical  
But I love her deep inside  
I still see you in my dreams  
With a kitchen knife  
With it poised above your head  
Now who you gonna slice?  
When it comes to fighting  
Trying to play it rough  
I will take you twenty rounds  
I'm just too tough, too tough  
Too tough, too tough  
I don't think you'll ever know  
What you've bitten off  
But in the end, you spat me out  
You could not chew me up  
I was too tough, too tough  
Too tough, too tough  
Too tough, too tough  
Too tough  
Too tough, too tough  
Too tough, too tough
