

Rollins Band, Out There

Walkin' shattered, confused, disturbed and alone
Feeling like someone just ripped your heart out and replaced it with a stone
Open your eyes to realize that the only one holding on to you is you
When you're out there, you're out there
Wandering as somewhere someone out there feels like you do

When you're out there, out there, out there, out there, Ohhhhh

I've been out there
When you're sitting in your room, lights out, door locked listening to the air
And sometimes all you wanna do is crawl away and die
Phone starts ringin' you uplook it, dosen't matter who it is, you don't care
Wonderin' why life can fill you with so much pain
They left you cryin'

Feelin' so carved out and hollow that you don't even have a tear
Lost, lost in the crowd, lost in my room alone
Lost in my-self, I don't know -
Lost in your eyes, lost in your arms

I got lost, just like:
Where I went
hated, alienated, thrown down, turned away, turned inside
solitary confinement turns to solitary refinement
Mmmmmmm, so alone
I found myself alone
Reachin' out I can't touch - I open my eyes, I can't see
Puttin' my feet out on the ground I feel I'm falling
Ohhhhhh, out there, I'm out there, out there, so cold, so cold, so cold

Out there, I'm out there, I'm out there, I'm out there
Out there, I'm out there, I'm out there, I'm out there
Out there, I'm out there, I'm out there, I'm out there
Ohhhhh...

When I'm out there, when you're ou there, when I'm out thereSo cold, so cold, co cold, so cold
