Foolproof

That&#039;s what my heart&#039;s become  
And I challenge anyone to break in  
I challenge anyone to make me open up the door  
Cos I&#039;ve been fooled before  
And now I&#039;m...

Foolproof

Older and wiser now  
And I&#039;m never gonna fall for that old,  
Never gonna fall for that old  
Fairy tale anymore  
Cos I&#039;ve been schooled before  
And cos I&#039;m foolproof

And I dare

Anyone to try  
Not a care  
In the world have I  
As long as I am foolproof

Oh no, they can&#039;t fool me

Cos I&#039;ve been around the block a few times  
Been around enough to know I&#039;m  
Coming back for more  
Cos I believe that your heart is pure  
And cos I&#039;m...

Foolproof

That&#039;s what my heart&#039;s become
