Ron Sexsmith, Gold In Them Hills (Remix)

I know it doesn't seem that way But maybe it's the perfect day Even though the bills are piling And maybe lady luck ain't smiling

But if we'd only open our eyes
We'd see the blessings in disguise
That all the rain clouds are fountains
Though our troubles seem like mountains
There's gold in them hills
There's gold in them hills
So don't lose heart
Give the day a chance to start

Every now and then life says Where do you think you're going so fast We're apt to think it cruel but sometimes It's a case of cruel to be kind

And if we'd get up off our knees Why then we'd see the forest for the trees And we'd see the new sun rising Over the hills on the horizon There's gold in them hills There's gold in them hills

So don't lose faith
Give the world a chance to say...
A word or two, my friend
There's no telling how the day might end
And we'll never know until we see
That there's gold in them hills
There's gold in them hills
So don't lose heart
Give the day a chance to start
There's gold in them hills
There's gold in them hills
