

Ron Sexsmith, Not Too Big

Im not too big on parties
Never know what to say
And everywhere I stand
I seem to be in somebodys way
Well, I dont mind conversation
Or a friendly chat
But to stand alone in a crowded room
Im not too big on that
Not too big on
Too big on that
No

Having a hard time sleeping sound
(Believe it or not)
Having a hard time keeping it down
All this food for thought

Im not too big on talkin
If my mind aint worked it out
Its the best to have people think youre dumb
Than to speak and remove all doubt
And Ive no plans
To be wearing out your welcome mat
For you know Id never want to make you sorry
Im not too big on that
Not too big on
Too big on that
No
