

# Ronan Keating, Brighter Days

I've done a lot of living in my life  
Chased my share of rainbows in the sky  
Before I stopped to ask the question why  
I've fallen out of love too many times

But now I see  
The possibilities  
Of how my life could be

From any other love I'd walk away  
Love is temporary I would say  
Now each night I find a reason to stay  
With you there's always brighter days

I've broken a heart, a heart or two  
I've let the curtain fall I guess, It's true  
The thought of something borrowed,  
something blue  
Was something that i never could persue

But now you're here  
My doubt has disappeared  
The clouds are gone, It's clear

From any other love I'd walk away  
Love is temorary I would say  
Now each night I find a reason to stay  
With you there's always brighter days

Even on the coldest nights  
Even when the sun won't shine  
It's sweeter in the morning time  
Just knowing that you're here

From any other love I'd walk away  
Love is temporary I would say  
Now each night I find a reason to stay  
With you there's always brighter days
