

# Ronan Keating, I Love It When We Do

I love it when we do what we [x2]

Ahahahaaaaaaaaaaaaa [x3]

When you're around the sun is always shining

And since we met I haven't once stopped smiling

The love I feel for you is almost blinding yeah

I'm running up and down the street

Hugging everyone I meet

Now you love me life is sweet

When I got you in my arms

I can't turn off the fire alarms yeah

I love it when we do what we do

because we do what we do till it's done

I love the way we do what we do

because we do what we do and it's fun

you're the one

When you're around my eyes will never wander

And there ain't no-one else I've ever been more fonder of

So baby don't you break this spell I'm under yeah

When I look into your eyes I don't have to fantasize

You're a dream that's realised

I'm dancing on the moon inside

If life is cruel then someone lied

I love it when we do what we do

because we do what we do till it's done

I love the way we do what we do

because we do what we do and it's fun

you're the one

I dig it when we kiss and we hug and you're cuter than a bug in a rug my love

When you and me

no to end to us

It makes me cry

It makes me trust

repeat chorus [x2]

When you and me

taste so sweet

It makes me cry

It makes me trust
