

# Ronan Keating, Last Thing On My Mind

Four O'Clock in the morning  
My minds filled with a thousand thoughts of you  
And how you left without warning  
But looking back I'm sure you tried to talk it through

Now I see it so clearly  
We're together but living separate lives  
So I wanna tell you I'm sorry  
Baby I can't find the words  
But if I could, then you know I would  
Yeah

No I won't let go, know what we can be  
I won't watch my life crashing down on me  
Guess I had it all right there before my eyes, yeah  
Girl, I'm sorry now we're the last thing on my mind

You carried me like a river  
How far we've come still surprises me  
And now I look in the mirror (look in the mirror)  
Staring back is a man I used to be, with you  
How I long for you, yeah

No I won't let go, know what we can be  
I won't watch my life crashing down on me  
Guess I had it all right there before my eyes, yeah  
Girl, I'm sorry now we're the last thing on my mind

Girl, I'm sorry I was wrong  
Could have been there  
Should have been so strong  
So I'm sorry

No I won't let go, know what we can be  
I won't watch my life crashing down on me  
Guess I had it all right there before my eyes, yeah  
Girl, I'm sorry now we're the last thing on my mind

I won't watch my life crashing down on me  
Guess I had it all right there before my eyes, yeah  
Girl, I'm sorry now, we're the last thing on my mind

On my mind  
On my mind
