

Rooney, Freedom Fighters

We got a call today
Janin said, Mr. James is up to no good
Teddy suited up and Taylor got the car
We were off to save the day from their game
We are the...
Freedom Fighters, give us a call
Freedom Fighters, We want you
We've come to save the day
From the ones who cannot pay
We arrived at the scene
Mr. James and I battled to the death
Taylor backed me up and everyone watched as
Teddy hit the switch and saved the day
Tell your friends about us
Spread the word we need the work
Tell your friends about us
Freedom Fighters are number one
