

Rooney, Love Me Or Leave Me

I know I can be cruel
I say a lot of things I don't mean
And I'm not always in the mood
To give you what you need
But I come close you gotta

Love me love me love me or leave me

I know I act confused
I'm perfect just like you

Do what you want
But there's no one in this world
Who would die for you
There's only me

You won't ever find
Anyone around as good as me
There's only one choice
You don't wanna grow old all alone
