

Rooney, Oh, What A Day

I hadn't met you
From what I heard I thought I had
Sorry to disappoint you
I wasn't all that interested
When you left that 10 minute message
I felt I knew you less and less
You don't play games
You make mistakes

Oh what a day
Oh, oh what a day
I can't stop thinking of you

I wasn't looking
For the right things
A week straight playing phone tag
How could we ever last?
I like the problems
Tell me about your psychiatrist
Tell me what's wrong
Please make mistakes

Oh what a day
Oh, oh what a day
I can't stop thinking of you (x2)

I like what's wrong with you
Yes I like what's wrong with you

What's wrong with you (x2)

Oh what a day
Oh, oh what a day (x2)

I can't stop thinking
No I can't stop thinking
I can't stop thinking of you
