

# Rooney, Sleep Song

Sometimes I feel  
Like I'll never fall asleep  
I feel helpless  
You can't help me  
Fall asleep  
I like to dream  
But it scares me to think  
That at some point  
I'll forget when the dream began

I just got out of my bed  
Covered in sweat  
I was angry  
'Cause you kept your hand on my chest  
Don't touch me  
I'm concentratin' on sleep  
On what I'll dream  
But I can't keep my eyelids shut

Look at me sleepin'  
I'm really sleepin'  
Look at me dreamin'  
I'm so happy  
Look at me sleepin'  
I'm really sleepin'  
Look at me dreamin'  
I'm so happy
