

# Rootwater, WAR

dream on and never, never wake up  
forget about your Spirit  
Let the pictures flow in the blood  
Let the lust create your feelings  
Now become a new human being  
You'll get the real life  
Fuck the Demons out - fuck the Demons  
War's the only way  
War is everywhere there- believe me  
No one - neutral  
Everyone makes War- believe me  
No spectators  
Chose the real life or illusions  
Chose the future  
There is no time to lose - believe me  
Sight the Real  
Stop the dream it's time to wake up  
Now, recall your Spirit  
Don't be afraid of pain - life is life  
The pain is the sign of existence  
War is everywhere there- believe me  
No one - neutral  
Everyone makes War- believe me  
No spectatooooooooorsss  
Tell the truth - be dead or life  
Tell the truth - be dead or life  
Tell the truth - be dead or life  
Tell the truth - you must decide  
Tell the truth - be dead or life  
Tell the truth - be dead or life  
Tell the truth - be dead or life  
Tell the truth -  
You must revive to get knowledge of reality  
I feel no longer a human ,  
I'm fuel for the corporates, we live for them - (I'm not dead)  
I feel no longer a human , I'm a fodder for the industry - (I'm not dead)  
which gives me the fodder  
I feel no longer a human  
I'm like a dragon who eats his tail  
Tell the truth - be dead or life  
Tell the truth - be dead or life  
Tell the truth - be dead or life  
Tell the truth - you must decide  
Tell the truth - be dead or life  
Tell the truth - be dead or life  
Tell the truth - be dead or life  
Tell the truth - I've decided !!!  
You are born to war now- believe me  
It is your life  
Combat Demons , kill 'em- believe me  
Utilize your faith  
Spirit of Life leads you to the War  
May Spirit of Life leads you to the War  
May Spirit of Life leads you to the War  
May Spirit of Life leads you to the Warfare
