

# Rory Gallagher, Crest Of A Wave

Well you can ride on the crest of a wave if that's where you want to be  
But does the look on your face mean you're really feeling happy  
Or do you feel like you're standing on a wooden leg  
Or a poor man much to proud to beg  
Or a page from a book that can't be read at all

Well you can see by the way that they are talking  
That it's time for you to pick up your grip and start walking  
'Cause they want to see your long ... legs flying  
Go to the place where the earth meets the sky and  
don't turn around and wave goodbye at all

They won't be satisfied, till you're out of their sight  
But I wonder how will you feel

With a deck of cards and you're not around to deal  
You're not around to deal , yeah

They won't be satisfied, till you're out of their sight  
But I wonder how will you feel  
With a deck of cards and you're not around to deal  
You're not around to deal , yeah

You can say it's a lie, a joke that you are living  
But you know one thing they don't,  
You won't give in  
'Cause you're like a cat chasin' its tail makes a million circles  
But you're gonna fail  
Sometimes you just don't understand
