

Rory Gallagher, See Here

See here,
I believe in my dream,
See here,
Do you know what I mean?
Be here,
Let me tell you what I've seen,
Be here,
And you could be in my dream.

Go near,

But as near as far away,
Have no fear,
Just listen when I say.

That it's clear,
That in time you'll come my way,
How near?
In a year or just a day.
