

Rory Gallagher, Seems To Me

Seems to me, I've been all tore down before.
It seems to me, I've been down this way before.

Tears in your eyes baby, don't fool me anymore.
Tears in your eyes baby, don't fool me anymore.

Fool me anymore. Yeah....

I must admit it, guess my race is run...yeah..
I must admit it baby, it's a case of hit and run.

Don't look for me baby, 'cause I'm circling around the sun.
Don't laugh at me baby, I'm circling around the sun.

Yeah....oww....yeah...

Feel six feet under, feel like a drowning man...yeah..
Feel six feet under, feel like a drowning man.

Man overboard, and you won't lend a hand.
Man overboard, you won't lend a hand...yeah..

Seems to me you've gone for broke this time.
Seems to me you've gone for broke this time.

Hung, drawn and quartered.
You've hung me on the line....yeah....
