

# Rosemary Clooney, On The Road Again

(Willie Nelson)

On the road again  
I just can't wait to get on the road again  
The life I love is making music with my friends  
I can't wait to get on the road again

On the road again  
Going places that I've never been  
Seeing things that I may never see again  
I can't wait to get on the road again

On the road again  
Like a band of gypsies we go down the highway  
We're the best of friends  
Insisting that the world keep turning our way

And our way is on the road again  
I just can't wait to get on the road again  
The life I love is making music with my friends  
I can't wait to get on the road again

On the road again  
Like a band of gypsies we go down the highway  
We're the best of friends  
Insisting that the world keep turning our way

And our way is on the road again  
Getting back into the groove again  
I don't know what might be waiting around the bend  
But I can't wait to get on the road again
