

Rosey, Love(True Version)

love i am so different (2x)
love i am so different than before

love, can i be love
love, could i ever really be loved
love, if you ever find me
i wonder will you try me
im so different than before

love, the kind that i dream of
it starts right here inside of me love
love, if you ever find me
i wonder will you try me
im so different than before
love i am so different than before

love, where are you waiting
in dark and smoky rooms
i hear you singing to me
love, let my voice lead you
and the songs we'd make
would be so different than before
oh yes my love, if you ever find me
then i ask you try me
im so different than before

love i am so different

the word is our, the time has come
begin again and reinvent my love
make it strong with arms so long
its stretching out to everyone
and nothing replace this blissed out space
this what i wanted, this is what i made
every little things gonna be alright
one day soul mate youll be mine

love, this time you wont mistake me
im ready love for you to take me with you
love, if you ever find me i wonder will you try me
in so different than before
oh yes my love, i know when youve found me
youll wrap yourself all around me
so different than before
oh yes my love, i know you will show me
in words you never told me
so different than before

love i am so different
than before...
