

# Rosey, My Baby

I love, I love, I love my baby  
you know he is the only one for me  
my baby he's the cutest little baby  
yeah, uh-huh, ooh ooh baby...

I love, I love, I love my baby  
you know he would do anything for me  
my baby he's the sweetest little baby  
yeah, uh-huh, ooh ooh baby...

baby when you take me out on the town  
I swear I'm the luckiest girl around  
and baby when you take me home with you  
I will make you the happiest boy too!

I love, I love, I love my baby  
you know he is the only one for me  
my baby he's the cutest little baby  
yeah, uh-huh, ooh ooh baby...
