

Rosi Golan, Been A Long Day

Its been a long day and all Ive got to say is make it strong
Its been a long a day and all Ive got to say is Ive been wrong
So take a leave of absence, tell me youll be gone, I dont want to see your face.
Its been a long day and I just wanna hide away
Its been a long week and all the lines come down heavy on me
Its been a long week Im finally feeling like its ok to break
Into a thousand pieces, no one can replace, only I can find my way.
Its been a long day and I just wanna hide away
Its been a long year and everyone around me disappeared
Its been a long year and all this mess around me is finally clear
So can I have a moment? Just to say hello. Can you let your anger go?
Its been a long year and Im finally ready to be here.
