

Roxen, NONO BAD

Nono bad, bad, nono
Nono bad, bad, nono
I found a piece of land in a quiet space
I've seen it in a dream, somehow awakened
They said is Paradise, but I think it's more than that
Reality is no more breakin'
Easier, breathin' out
Yeah, you know it feels right
We feel safe, we could know
We see it in our eyes
The world is glowin'
Thousands and thousands of sparks
Above us are fallin' down, down
And we're never goin' back
To bein' bad
The world is glowin'
Thousands and thousands of sparks
Above us are fallin' down, down
And we're never goin' back
To bein' bad
Nono bad, bad, nono
Nono bad, bad, nono
Nono bad, bad, nono
Nono bad, bad, nono
How it felt like we were in
A weird simulation, sin
But we forgot somehow to speak
To be present and to be honest, well
Now easier, we breathin' out
And it feels so right, yeah
We are safe, feel all good now
Right there in your eyes
Nono bad, bad, nono
Nono bad, bad, nono
Nono bad, bad, nono
Nono bad, bad, nono
The world is glowin'
Thousands and thousands of sparks
Above us are fallin' down, down
And we're never goin' back
To bein' bad
The world is glowin'
Thousands and thousands of sparks
Above us are fallin' down, down
And we're never goin' back
To bein' bad
Nono bad, bad, nono
Nono bad, bad, nono (we're never back)
Nono bad, bad, nono (never back)
We'll (nono bad, bad, nono) never go back to bad
