

Roxette, From Head To Toe" / Non-Album Tracks

I knew the minute I saw you I knew the minute I saw you
That we , we were 2 of a kind
And I knew , yeah , when I danced with you
I've got in a miracle mine (?)

I keep my head up high I keep my head up high
I keep my love alive
Yeah yeah yeah

You go from head to toe
This mystery has taken over me
I know
You make the true love shine
You go from head to toe
It's all emotions flowing over me
I know
You make the true love shine
Eye to eye

Well I had a love that once blinded me
But now it makes me wanna cry
Well , her heart is soaked with such cruelty
Her hello just sounds like goodbye
But I keep my head up high
I keep my love alive
Yeah yeah yeah
