

# Roxy Music, Always Unknowing

(Ferry)

Following the morning star  
But there&#x2013;s no sense  
In always running  
Take what you want to know  
Just give me time  
Always unknowing  
World passing by  
That&#x2013;s how it looks  
Always unknowing  
Don&#x2013;t you leave my side  
There is no sense  
In always running  
Just one more time  
Is all I need  
Always unknowing  
Hold back tonight  
With your sight  
Always unknowing
