

Roxy Music, Amazona

(Ferry/Manzanera)

Amazona
Is a zone where
There is no doubt
No more fall-out -
Why don't you step
Through the mirror and see'
From Arizona
To Eldorado
Sure is a mighty long way.
Hey little girl
Is something wrong'
I know it's hard
For you to get along
The bell-tower rings
It tolls a hollow sound
But your castles in Spain
Still may be realised
And longings more profound.
You see - every cloud
Has a silver lining
And sometimes paradise
Around your corner lies.
In Amazona everything is nice
Little one - come take my hand'
I'll try to help you there -
I'll take you there.
Amazona's
Getting closer
Oh soon you'll see.
Journey's over
We're almost there
