Roxy Music, Amazona

(Ferry/Manzanera)

Amazona Is a zone where There is no doubt No more fall-out -Why don't you step Through the mirror and see' From Arizona To Eldorado Sure is a mighty long way. Hey little girl Is something wrong' I know it's hard For you to get along The bell-tower rings It tolls a hollow sound But your castles in Spain Still may be realised And longings more profound. You see - every cloud Has a silver lining And sometimes paradise Around your corner lies. In Amazona everything is nice Little one - come take my hand' I'll try to help you there -I'll take you there. Amazona's Getting closer Oh soon you'll see. Journey's over We're almost there
