

Roy Acuff, Low And Lonely

Low And Lonely sad and blue
Thinking only of little you
Always tryin' to keep from cryin'
I'm Low And Lonely over you.

CHORUS

Do you miss me? Say you do!
Tell me darlin', please tell me true
Do you yearn dear for my return dear?
I'm Low And Lonely over you.

Low And Lonely, weary, too
You're the only, true love I knew
Don't be long, dear, you know it's wrong, dear
I'm Low And Lonely over you.

CHORUS
