

# Roy Acuff, No One Will Ever Know

No one will ever know my heart is breaking  
Although a million teardrops start to flow  
I'll cry myself to sleep and wake up smiling  
I'll miss you but no one will ever know

I'll tell them we grew tired of each other  
And realize our dreams could never be  
I'll even make believe I never loved you  
Then no one will ever know the truth but me  
[ fiddle ]  
No one will ever know how much I'm pining  
Each time the past comes back to haunt me so  
No one will ever see the tears I'm hiding  
You've hurt me but no one will ever know

I'll tell them I've found true love with another  
That I was glad the day you set me free  
I'll even make believe I never loved you  
Then no one will ever know the truth but me
