

Roy Black, I Need You (Ganz In Weiss)

I need you - to hold me close again
For I knew I won't be happy until then
I need you - you're all I'm living for
Ev'ry day that slips away I need you more
Oh my love - please listen to my pray'r
Tell me where and tell me when and I'll be there

All the letters in the world
can't replace my little girl
I need you - my love I need you so.
No all the letters in the world
can't replace my little girl
I need you - my love I need you so
