

Roy Drusky, Just Between The Two Of Us

Just between the two of us let's live up this fantasy
For we no longer care enough to even disagree
People think it's wonderful our love can be so true
(You never say an angry word no matter what I do)
And you have so much faith in me you trust me anywhere
(But the reason if they only knew is that we just don't care)
Just between the two of us let's live up this fantasy
For we no longer care enough to even disagree

[piano]

Everybody envies us and the way we get along
(But between the two of us we know our love is gone)
I wish we could go back again to days that used to be
(We fought a lot but even then I knew you cared for me)
Now we get along so well no teardrops ever fall
But there's no love no anything there's nothing left at all
Everybody envies us and the way we get along
But just between the two of us we know our love is gone
