

Roy Drusky, World I Can't Live In

Once more I've said that I'll leave you but once more I'm changing my mind

Yours is a world I can't live in but without you I can't live in mine

You'd rather go places without me I don't understand you at times

Yours is a world I can't live in but without you I can't live in mine

[guitar]

Could be it's your way of loving and you don't mean to treat me unkind

Yours is a world I can't live in but without you I can't live in mine

Yours is a world I can't live in but without you I can't live in mine
