

Roy Orbison, Dream Baby

(Cindy Walker)

Dream baby
Got me dreamin' sweet dreams
The whole day through
Dream baby
Got me dreamin' sweet dreams
Night time too
I love you and I'm dreamin' of you
That won't do
Dream baby, make me stop my dreamin'
You can make my dreams come true
Sweet dream baby
Sweet dream baby
Sweet dream baby
How long must I dream

Dream baby
Got me dreamin' sweet dreams
The whole day through
Dream baby
Got me dreamin' sweet dreams
Night time too
I love you and I'm dreamin' of you
That won't do
Dream baby, make me stop my dreamin'
You can make my dreams come true
Sweet dream baby
Sweet dream baby
Sweet dream baby
How long must I dream
