

Roy Orbison, Truly, Truly True

I love you I do.
I love you truly truly true.
Truly true.
If the world should end today.I could say.
At least I've had my day with you.
Truly true.

Truly baby.I love you

Truly, truly, truly,true.

And for some the world may end.
But for us it will begin again.and again.
Truly true.I love you I do.
I love you truly truly true.
Truly true.
