Roy Orbison, Truly, Truly True

I love you I do. I love you truly truly true. Truly true. If the world should end today.I could say. At least I've had my day with you. Truly true.

Truly baby. I love you

Truly, truly, truly, true.

And for some the world may end.
But for us it will begin again.and again.
Truly true.I love you I do.
I love you truly truly true.
Truly true.
