

# Roy Orbison, You Fool You

(Orbison-Melson)

You fool you, That's what my friends all say  
You fool you, Don't throw your love away  
You fool you, Remember yesterday  
Your baby walked away, away, from you.

So there you go, Come running back again  
Stars in your eyes, Be leading lights  
Your hungry heart still longs for love  
You think she'll win, And so you pretend

You fool you, That's what my friends all say  
You fool you, Don't throw your love away  
You fool you, Remember yesterday  
Your baby walked away, away, from you.

Ooh ooh ooh ooh, Ooh ooh ooh ooh,  
Ooh ooh ooh ooh, Ooh ooh ooh ooh,  
You fool you.
