

Royal Crown Revue, Stormy Weather

I don't know why there's no sun up in that sky
Stormy weather since me and my gal ain't together,
Keeps rainin' all the time

Life is bare, gloom and misery's everywhere
Stormy weather, can't get my poor self together
Keeps rainin' all the time

Well now, since you went away the blues walked in and met me
If you don't come back to stay
That rocking chair may get me
And I'll pray the Lord above will let me
Walk in the sun once more
