

# Royal Hunt , Total Recall

We gave this pain to the world which we can't understand  
Blood disappears like the raindrops when hitting the sand  
Eye on the Bible and hand on the gun-wandering comes to an  
end  
Fight in the name of your god and his son-wait for the  
final command:

Total Recall - we saw it all,we took it all protected by  
the law

Total Recall -we torched another life we'll never know  
Total Recall - we shot it all we burned it all and now it's  
time to go

Wish for redemption and peace's never crossing our mind  
Blood on the bricks - that's all that we're leaving behind  
Pictures of home disappearing in flames.Mission's complete  
In the end there's nothing to lose,we're ready to go-  
wait for the final command - "Total Recall".
