

Royal Republic, LoveCop

I'm not the kind of red and blue you see on TV
I'm not gonna lock you up I'm setting you free
Super sonic super trooper on a lover patrol
I'm a LoveCop

I'm your undercover lover and I ain't gonna stop
Once you got me going I just can't get enough
I'm a super sonic legend on my way to the top
I'm a LoveCop

Do you swear to rock the house and nothing but the house
I'll be there to rock with you

I'm a LoveCop
My pearls and shiny leather
I'm a LoveCop
Fit perfectly together
Put your hands up
It's now or never ever
LoveCop

I'm your undercover lover and I aint gonna stop
Once you got me going I just can't get enough
I'm a super sonic legend on my way to the top
I'm a LoveCop

Do you swear to rock the house and nothing but the house
I'll be there to rock with you

I'm a LoveCop
My pearls and shiny leather
I'm a LoveCop
Fit Perfectly together
Put your hands up
It's now or never ever
I'm a LoveCop, baby

Fit perfectly together
