

Royksopp, It's what I want

All that I want, is keeping it easy
All that I want, is keeping it easy
It's what I want
It's easy
It's getting in
Let's hope we get it
It's what I want
It's easy
It's getting in
Let's hope we get it
All that I want, is keeping it easy
All that I want, is keeping it easy
It's what I want
It's easy
It's getting in
Let's hope we get it
It's what I want
It's easy
It's getting in
Let's hope we get it

It's what I want
It's easy
It's getting in
Let's hope we get it
It's what I want
It's easy
It's getting in
Let's hope we get it
All that I want, is keeping it easy
All that I want, is keeping it easy
