

# Royksopp, Never Ever (feat. Susanne Sundfør)

I've been dying to see you  
Hoping for a chance to talk  
I really wanna be near you  
Tell you how I feel inside

I wanna get to know you  
I wanna shout it out  
Would it really show you  
What it's all about?

Never ever gonna let you go now  
I don't wanna cry  
Never ever gonna let you go now  
Not that I'm in love

Every time that I see you  
I just wanna stay awhile  
And I want you to be here  
Don't wanna be alone tonight

I wanna get to know you  
I wanna shout it out  
Would it really show you  
What it's all about?

Never ever gonna let you go now  
I don't wanna cry  
Never ever gonna let you go now  
Not that I'm in love  
Never ever gonna let you go now  
I don't wanna cry  
Never ever gonna let you go now  
Not that I'm in love

I don't, I don't  
I don't  
I don't wanna cry  
Never ever gonna let you go now

I don't, I don't get  
Get you  
Never ever gonna let you go now  
Get you
