

Royksopp, Never Ever (feat. Susanne Sundfør)

I've been dying to see you
Hoping for a chance to talk
I really wanna be near you
Tell you how I feel inside

I wanna get to know you
I wanna shout it out
Would it really show you
What it's all about?

Never ever gonna let you go now
I don't wanna cry
Never ever gonna let you go now
Not that I'm in love

Every time that I see you
I just wanna stay awhile
And I want you to be here
Don't wanna be alone tonight

I wanna get to know you
I wanna shout it out
Would it really show you
What it's all about?

Never ever gonna let you go now
I don't wanna cry
Never ever gonna let you go now
Not that I'm in love
Never ever gonna let you go now
I don't wanna cry
Never ever gonna let you go now
Not that I'm in love

I don't, I don't
I don't
I don't wanna cry
Never ever gonna let you go now

I don't, I don't get
Get you
Never ever gonna let you go now
Get you
