

# Royksopp, Running To The Sea (feat. Susanne S

I saw the rush in to ther car  
In the moment I screem Why  
Untli the darkness \_\_ light

I remember running to the see  
The burning house and tree  
I remember running to the see  
\_\_ blinded by the fear  
And river frozen in your skin  
Savage horses kept with in  
And all wasted in the \_\_\_\_  
Like \_\_ demons in your head

I remember running to the see  
The burning house and tree  
I remember running to the see  
\_\_ blinded by the fear  
And river frozen in your skin  
Savage horses kept with in  
And all wasted in the \_\_\_\_  
Like \_\_ demons in your head
