

Rubber Puppy, A Statement Of Intent

We're the ones to bring it back to you,
To drink, fuck and rock is our only goal,
With a little sleaze and a little sex,
We'll give you back some Rock n Roll.

No fake motherfuckers need apply,
We're on a one-way street to shake things up,
With dirty minds and dirty hands,
We'll leave the world screaming 'God save the Pup'.

Suck it up and Suck it in,
Let it out don't pull me in,
I'm not you're friend I won't pretend,
That you mean shit to me.
