

Ruben Studdard, I Surrender All

All to Jesus I surrender
All to Him I freely give;
I will ever love and trust Him,
In his presence daily live.

I surrender all, to you Jesus I surrender all, all;
All to thee, my blessed Savior,
I surrender all.

All I have I give to You (I'll give it to You)
I surrender all to You (everything I have)
I'll do what you want me to (what you want me do)
I'll give You everything
I surrender all to Jesus I surrender all
I give my self to thee
Fill me with a love and power that your blessing follow me
I surrender all
To you Jesus I (I surrender all)
All to thee, my blessed Savior
I surrender all

All I have I give to You
I surrender all to You
I'll do what you want me to
I'll give You everything
I surrender all to Jesus

All I have I give to You (all to you Lord)
I surrender all to You (I surrender all I have to you)
I'll do what you want me to (whatever you want from me)
I'll give You everything
I surrender all to You
I surrender all to You
I'll do whatever you want me to
Nothing else I'd rather do
With my life, Lord I'll serve you every day
Even when things don't go my way
Lord you can trust me to never straight, oh
