

Ruby, Miracle Of Love

Oh, yeah
You never know what it is
'Till you feel the breeze
And you're on your knees
Oh, yeah
You never know 'till is gone
And you're home alone
Waiting for the one

Oh, yeah
You never know what it is
'Till you feel the breeze
And you're on your knees
Oh, yeah
You never know 'till is gone
And you're home alone
Waiting for the one

Oh, yeah
Oh, yeah
Oh, yeah
Oh, yeah
I believe in the miracle of love

Oh, yeah
I believe in the miracle of love
Oh, yeah
I believe in the miracle of love
Oh, yeah
I believe in the miracle of love
Oh, yeah
I believe in the miracle of love

Now I know how it goes from the start
'Cause we are fools in the matters of the heart
The way you make me fell is like claws in my blood
My heart is pumping and yeah, it's so hot

You should know,
You should know that I'm loosing my control
And it's getting so confusing
Forever more, I am sure,
I'll be loving you
You, you, you...

Oh, yeah
I believe in the miracle of love
Oh, yeah
I believe in the miracle of love
Oh, yeah
I believe in the miracle of love
Oh, yeah
I believe in the miracle of love

You should know,
You should know that I'm loosing my control
And it's getting so confusing
Forever more, I am sure,
I'll be loving you
You, you, you...

Oh, yeah
I believe in the miracle of love
Oh, yeah

I believe in the miracle of love
Oh, yeah
I believe in the miracle of love
Oh, yeah
I believe in the miracle of love
