

# Rudimentary Peni, Blind Dogs

The unseeing eyes of the blinded pupils  
Unseeing guidance, the lead of the blind dogs  
Token gestures from life-long investors  
Questions only for those who question

A vicious circle of passive acceptance  
Passive acceptance of a vicious circle

Prevention by convention of infantile dissention  
Creates a self-sufficient form of self oppression  
Numbing of awareness, a craving to be led  
The image of a hero planted in your head

A vicious circle of passive acceptance
