## Rudimentary Peni, Blind Dogs

The unseeing eyes of the blinded pupils Unseeing guidance, the lead of the blind dogs Token gestures from life-long investors Questions only for those who question

A vicious circle of passive acceptance Passive acceptance of a vicious circle

Prevention by convention of infantile dissention Creates a self-sufficient form of self oppression Numbing of awareness, a craving to be led The image of a hero planted in your head

A vicious circle of passive acceptance Passive acceptance of a vicious circle Questions only for those who question The lead of the blind dogs, dogs of war
