

Ruff Endz, Don't Stop

[Intro]

Don't stop get on the floor
Let me see you dance till you can't no more
To my sexy ladies let me see you rock the bells
Sweatin' like a motherfu cuz it's hot as hell
Don't stop get on the floor
Let me see you dance till you can't no more
To my sexy ladies let me see you rock the bells
To my thugs don't stop
Till you make it swell

Saturday night ain't got no money
Only got enough to get in to the party
If you look good and you're feelin' alright
All that matters is fun tonight

Hey, ladies (hey, ladies)
Shake that thing
Make a married man wanna take off his ring
Don't hold back, baby, just let it go (just let it go)
Cuz you're right back at work on Monday morning so

Don't stop get on the floor
Let me see you dance (let me see you dance)
Till you can't no more (oh, yeah)

Why ya sittin' down
If you came here to party
Let the beat get ya drunk like Bacardi
If you up in V.I.P. that's cool
But if you ain't dancing you's a fool

Party people (party people)
Make some noise
Throw your hands in the air and shout for joy
Don't hold back, baby, just let it go (just let it go)
Cuz the party won't stop til the break of dawn, come on
