

# Ruff Endz, If I Was The One

I see the way he treats you,  
I feel the tears you cried,  
And it makes sad, and it makes mad,  
There's nothing I can do baby.  
Cause your lover is my best friend,  
And I guess that's where they story ends.  
So I've gotta try, to keep it inside.  
You will never be, never be mine but,

If I was the one who was loving you, baby.  
The only tears you'd cry would be tears of joy.  
And if I was by your side,  
You'll never know one lonely night  
And if it was my arms you were running to,  
I'd give you love in these arms of mine.  
If I was the one in your life.

If I could have just one wish,  
I'd wish that you were mine,  
I would hold you near,  
Kiss away those tears.  
I'd be so good to you baby.  
You're the one I want next to me,  
But I guess that's just not meant to be.  
He's there in your life,  
And he's sharing your nights,  
It'll never be, never be right.

If I was the one who was loving you, baby.  
The only tears you'd cry would be tears of joy.  
And if I was by your side,  
You'll never know one lonely night  
And if it was my arms you were running to,  
I'd give you love in these arms of mine.  
If I was the one in your life.

Yeah, baby.  
I wanna reach out and view beside me,  
Right here beside me, babe.  
Take you in my arms right there,  
Scream 'I love you' right out loud.  
Some day I pray, that I'll find the strength,  
To turn to you and say,

If I was the one who was loving you, baby.  
The only tears you'd cry would be tears of joy.  
And if I was by your side,  
You'll never know one lonely night  
And if it was my arms you were running to,  
I'd give you love in these arms of mine.  
If I was the one in your life.

If I was the one who was loving you, baby.  
The only tears you'd cry would be tears of joy.  
And if I was by your side,  
You'll never know one lonely night  
And if it was my arms you were running to,  
I'd give you love in these arms of mine.  
If I was the one in your life.

If I was the one, if I was the one,  
In your life
