

# Ruff Endz, Someone To Love You

Mmm...yeah  
Mmm...mmm...mmm...mmm...

I bet you that I could read your mind  
And tell you everything you're going through  
Baby, I could try to find a thousand reasons why  
You're alone and acting so cold

Tell me how long you've been this way  
Maybe I can open up your heart  
See, I've been waiting all my life for someone just  
like you  
And I know you've been waiting too  
For someone to love you

[CHORUS:]  
All you need is someone who cares (For someone to love  
you)  
Someone who will always be there (Mmm...mmm...)  
All you need to say is that you want me to be with  
you  
Girl, I know you've waited so long  
For someone to love you

Ooh...  
Mmm, mmm, mmm

Baby, I wish I could be there  
For every time you ever shed a tear  
Baby, I hate to see a pretty girl like you  
Going through the things that you do, yeah

Girl, I think you've gone too far too long  
Without a good man to make you smile  
How can I appeal to you and make you understand  
That I'm here, when you're ready for  
Someone to love you

[chorus:]

Baby you've been waiting for the man from all the fairytales  
or maybe just the man from all your dreams  
try to think reality, explore the possibilities  
cause girl you know you've waited for so long  
for some one to love you  
(oooh-yooh-yooh-yoooh)  
(for someone to love you)  
(waited ooh so long)

all you you need is someone who cares  
(all you need, all you need, baby)  
someone who always be there  
(in the middle of the night, in the middle of the night)  
All you need is someone who cares  
(i aint trying to play no games with you, no, no)  
Someone who will always be there  
(never leave your side, no no no no)  
(all you need!)  
all you need is someone who cares  
(someone, someone to love you endlessly)  
(all you need is someone)  
Someone who will always be there  
(a man like, a man like me)  
All you need is someone who cares

(I just want to hold you)  
someone, someone, someone  
(How was your day baby)  
(all you need)  
Someone who will always be there  
(baby open up your heart!)  
All you need is someone  
(baby, lady, someone who loves you, will care for you)  
All you need is someone  
(baby, lady, i wanna be the one, please)  
All you need is someone

[SINGING TOGETHER:]

woo! i care for you  
all you need is someone  
take my hand, i wanna be that someone  
all you need is someone  
momma said there'd be days like this, momma said there'd be days like this  
tell me, tell me baby you believe in someone
